

RC610 INDOOR CYCLING BIKE

HIGHLIGHTS

The ZYMFIT Indoor Cycle introduces progressive features specifically selected to enhance your training experience. A LCD screen showcases RPM, speed, distance, time, calories and resistance metrics; while a 4-way adjustable seat and handlebars ensure maximum comfort while riding.

Utilize the provided media rack to connect to desired fitness applications and training programs, and take advantage of the infinite resistance levels. The RC610 also features magnetic breaking via an in-reach flywheel, soft handlebar grips, a comfortable saddle seat, and pedal cages with toe straps for stability. Easily transport the equipment with the provided wheels

Key Features

- ✓ Pedal cages and adjustable toe straps guarantee a stable ride.
- ✓ A comfortable saddle with 4-way adjustability encourages users to find their perfect fit.
- ✓ Media rack and user-friendly console showcasing RPM, speed, distance, time, calories and resistance.
- ✓ Soft handlebars are 4-way adjustable, and a magnetic braking system offers infinite levels of resistance.
- ✓ Wheels and levelers promise easy transportation and storage.
