

## RW530 WATER ROWER

### HIGHLIGHTS

The ZYMFIT Water Rower blends simplistic, quality design with affordability – supporting the beginner rower in pursuit of physical fitness while never compromising excellence. A large console with an integrated media rack, users are invited to explore their favorite fitness apps or workouts at their own pace. Smooth water resistance provides a challenging workout at various levels depending on the user's momentum. Self-tracking metrics include speed, speed per minute, count, and total count. Fold the seat rail upright for easy storage, and transport via the featured wheels and levelers.

### Key Features

- ✓ A large, cushioned and contoured seat optimizes comfort.
- ✓ Adjustable non-slip foot pedals alongside large, foam-grip handles ensure stability and comfort.
- ✓ A large, clear console displays speed, SPM, count and total while also featuring an integrated media rack.
- ✓ Smooth water resistance creates an ocean-like experience – adding a quality dynamic to strength and conditioning.
- ✓ Wheels and levelers promise easy transportation and storage.
