

CT920 COMMERCIAL TREADMILL

HIGHLIGHTS

The CT920 Commercial Zymfit Treadmill is a premium commercial treadmill that boasts a robust and sturdy build, making it ideal for high-traffic fitness settings such as hotels, multi-family buildings, and personal training studios. Equipped with advanced touch screen technology, this treadmill offers a reliable and seamless workout experience for users. Whether you're outfitting a new personal training studio or upgrading your hotel's fitness amenities, the CT920 is built to withstand heavy use and provide a consistent performance. And with the added support of Zymfit, a leading company based in Markham, Ontario, Canada, you can have confidence in the machine's longevity and after-sales support.
