

CB610 COMMERCIAL UPRIGHT BIKE

HIGHLIGHTS

The Commercial CB610 upright bike is designed with a heavy-duty structure and easy-to-use interface. Its stability and handlebars ensure a safe workout experience for all users, while the large cushioned seat provides comfort during use. This commercial-grade bike is perfect for use in multi-housing units, hotels, schools, clinics, and corporate offices. Customers can also take advantage of the full support provided by Zymfit, a company with offices in North America that is dedicated to providing the highest level of customer service and support.
