HIGHLIGHTS

The CT910 Zymfit Commercial Treadmill is a robust, versatile and durable fitness machine that is suitable for a wide range of users. It offers programs, including time, distance, and calorie-based options and 9 preset speed training programs for beginners to advanced users. With a high incline capability of 15% and a maximum speed of 20 kph, this treadmill is perfect for those looking to increase their intensity, burn more calories and build endurance. A great investment for any gym, physical therapy clinic, hotels or home gym.
